

**REMARKS/ARGUMENTS**

Claims 1-20 are pending in this application.

Applicant thanks the Examiner for indicating that this application is in condition for allowance except for formal matters, and for allowing claims 1-9.

The Examiner has objected to the specification, suggesting removing usage of “claims 1, 10 and 20” on page 2. Applicant has amended the specification accordingly.

The Examiner has objected to claim 10, and indicated that claims 11-20 would be allowable if claim 10 overcomes the objection. In response, Applicant has amended claim 10.

An IDS and a Request for Continued Examination (RCE) are filed together with this Amendment for the Examiner to consider references cited in a European Search Report.

The Examiner is invited to contact the undersigned at the number listed below to discuss any matter concerning this application. The Office is hereby authorized to charge any additional fees or credit any overpayments under 37 C.F.R. §1.16 or §1.17 to **Deposit Account No. 11-0600**.
